PAMELA S. ROBERTS SERVES AS KFRW PRESIDENT 2021 - 2022

It is with great honor I write my very first newsletter as the president of our great organization. Thank you for giving me this opportunity to serve with you as we support the mission of the Kentucky Federation of Republican Women. Ladies, we have our work cut out for us. I have spoken to many of you since the general election and I, too, share your disappointment with the results.

The definition of results in the Merriam-Webster Dictionary is “to proceed or arise as a consequence, effect or conclusion”. Proceed stands out in those words. It may be a disgrace to be defeated but, it is a disgrace to stay defeated. We need to arise because of the conclusion. Doing the right thing in the right way brings us to a level of higher efficiency. Others can do little for us as individuals. Our progress must begin with our members. As your president, I am ready to lead you along the high road.

There will be descents as well as ascents. I ask you to let the heights beckon you onward while keeping the mission of our organization close in mind. I will be beside you.

I ask that you learn to trust me when things go wrong. There will be disruptions to our movement however, trusting acceptance of trials will bring outcomes that far outweigh our disappointment and beyond. I will move with you.

I assumed this role on January 1st. I have since been carefully making decisions which will affect each one of us and our organization. Trust never falters when the path becomes rocky and steep. I know that together, we will make it!

I would like to take this opportunity to thank immediate Past President, Helena Pitcock. Her leadership through a very, difficult year was the glue that held us together as a group. Her commitment and dedication to the KFRW in a time of uncertainties is a true testament to those who paved the way for us to be part of the movement they began many years ago. President Helena, we appreciate you and all you do!

In closing, remember these three words; **MOTIVATE, EDUCATE, ACTIVATE!** You will be hearing these three words from me a lot during these next two years. We have an obligation to “promote an informed public through education and activity” while we support the KFRW. However, it will take efforts by each one of us to motivate and dominate at the polls with elected officials who possess like, minded values. Are you ready to work?

God Bless each one of you! Please be on the lookout for more information regarding our goals and plans of work as we look to the future of Republican women and the KFRW.
