Message from KFRW President Pamela S. Roberts

Greetings!

Principles of effective leadership should have three things; clear purpose with continuous evaluation, be straightforward and honest with constant counsel derived from power and wisdom. By now, you know I rely a lot on prayer.

Leadership appears glamorous and can be filled with pressure to compromise values. But you, my federation sisters have proven there is no success without action, no reward without hard work, no opportunity without criticism and no leadership without trust.

The definition in my Bible for leadership is the office or position of the leader or capacity to lead. Each member in the KFRW can truly say they have a gift to lead.

Because of you, our federation has just about topped 900 members since

Each of you have demonstrated that you are willing to act, work hard, take the criticism of those whose opinions differ and trust others to help you along the way. I see what leaders you are because of your willingness to withstand the pressure to compromise your values.

Although there are times that our opinions will differ and have differed, discernment is a powerful tool when coupled with wisdom.

Thank you for using the unique gifts you were given for this great organization. Because of citizens like you, we can keep the events and

the beginning of 2021. Additionally, we have received charters for two new clubs, with women in Estill County finalizing the paperwork to be sent to national while several other groups are working toward becoming chartered clubs as well. Our federation has received membership dues for several clubs to our state treasurer reinstating clubs as clubs in good standing.

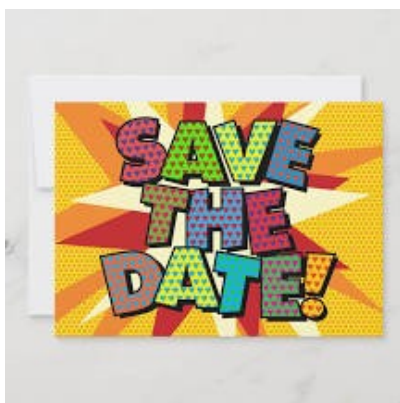

troubles of today's society in their proper perspective. May God Bless you each, and everyone!

For God and Country,

Pam

President

In 2016, The Kentucky Federation of Republican Women formed the First Lady's Circle, a new fundraising campaign instituted for the KFRW. In 2021, the name for this campaign was changed to Lincoln Legacy Circle. For \$100, women of the KFRW could be a part of the circle. We had 107 women joined as Charter Members this first year. Events are held annually for those who join this fun group of women. Please join us as we raise money to support our Republican Candidates.

THANK YOU

Thank you to **Susan Tucker**, Fayette County Republican Women's Club for designing the lapel pins your Kentucky delegation will be trading at the National Convention as part of tradition when attending the session. We so much appreciate you, Susan and for sharing your talents with your federation sisters. Thank you to her husband, Mike in searching for a reasonably priced vendor.

You ladies are working hard. Our Federation is close to having 900 members. "I'm thrilled that U.S. Senator Tim Scott will be joining us at convention on Friday night," announced NFRW President Ann Schockett. "His story is inspirational, and he brings an important voice and message at a pivotal time in our nation's history."

From cotton to Congress in one lifetime - Tim Scott is the embodiment of the American Dream thanks to a mom who stuck with him and a mentor who showed him the wisdom of conservative principles. Through their belief and his own determination, Tim developed his mission statement: to positively affect

the lives of a billion people. That led him to public service, where he was elected to Charleston County Council, the South Carolina House of Representatives, the U.S. House of Representatives, and the Senate, where he has been a national leader on efforts to bring opportunity to every American family and a lead on diversity issues.

Senator Scott joins an impressive lineup of speakers that includes Florida Governor Ron DeSantis and First Lady Casey DeSantis, South Dakota Governor Kristi Noem, former Arkansas Governor and media personality Mike Huckabee, China expert Gordon Chang, and "America's Rabbi" Aryeh Spero.

The 41st Biennial NFRW Convention takes place September 24-26 at the J.W. Marriott Orlando Grande Lakes resort. All Federation members are welcome - you don't have to be a delegate to attend.

Florida Governor Ron DeSantis welcomes the National Federation of Republican Women and its members to Orlando for the NFRW 41st Biennial Convention, September 23-26, 2021. Governor DeSantis will also welcome members to Orlando in-person when he keynotes the Welcome Reception on Friday, September 24. **REGISTRATION DEADLINE IS SEPTEMBER 17, 2021**

We Are Saddened by the Loss of KFRW Members

We are saddened by the loss of our members in the KFRW. The NFRW requested we send their organization the names of our departed members to be remembered at the national convention in Orlando, Florida during the session in September. These are the names received by our chaplain, Joanna Gregory from clubs across the state. These names will be forwarded to the NFRW. Until we meet again dear sisters.
