Support our Military:

Ladies, there are many opportunities available within our communities to show support for our Veterans, and now is a great time to do so with Veterans Day coming up on November 11th! One opportunity in Lexington is the VA 5K Run/Walk, which will take place on November 5th. This event is being held to raise money for the Lexington VA's Fisher House and the VA's volunteer program; here is the link if you would like more information about it: <https://veteransva5K.com>. Many worthy Veteran organizations host events or could benefit from support; here are a few examples: The American Legion, Disabled American Veterans, Honor Flight

Network, Patriot Paws, The VFW (Veterans of Foreign Wars), and there are many more! Another way to honor Veterans is to find a political candidate who is also a Veteran and support his or her campaign! Thank you and may God bless you,
Lynette Heppner, KFRW Armed Services Representative
